**BRIDGE REPAIRS ON NH ROUTE 45 IN TEMPLE**  
***WILL REQUIRE SINGLE LANE TRAFFIC FOR FOUR WEEKS***

The New Hampshire Department of Transportation announces bridge repairs are scheduled to Tuesday, August 31, 2004 on the NH Route 45 Bridge over Temple Brook in Temple, NH.

This deck repair and curb work will require single lane traffic across the bridge for approximately four weeks. Warning signs, concrete barriers and stop and yield signs will help guide motorists through the work zone. Minor delays can be expected.

In the event of inclement weather, work will be postponed until the following work day.
